# 1 APP Guidance Notes

## Article 6 Advice

*'leading for tomorrow'*

### **REQUISITE NOTICE UNDER ARTICLE 6 – GUIDANCE**

If you do not own all the land to which the application relates then you will have to give **Notice** under Article 6 to other owners of the land, and complete the appropriate Certificate 7 section of the Application Form.

Note: if the footings or overhanging gutters of the proposed development encroach onto land not in your ownership then you will need to notify the landowner and fill in the appropriate certificate.
