

WEEKEND FOOTBALL PITCH CANCELLATIONS

Glendale will carry out pitch inspections every Saturday and Sunday morning. Should the pitches be deemed as unplayable, Glendale will ensure all teams are contacted by no later than **8.30am** on the respective day.

In the event that an early kick off time has been requested, it will be the responsibility of the team/club to decide on whether to wait for Glendale's decision (by 8.30am) or to cancel the game in advance.

If you have any queries or require further assistance over the weekend, please contact the Glendale duty officer on 07747 562670.

Neither Surrey Heath Borough Council nor Glendale Grounds Maintenance will be responsible for any fees, charges or reimbursements relating to pitch cancellations.
