

CAMBERLEY TOWN FOOTBALL CLUB

Camberley Town FC is currently consulting on plans to invest in new sporting and recreation facilities at Krooner Park and Crabtree Rec.

These exciting proposals will see the Club relocating from Krooner Park (its home since 1923) to a new pitch and clubhouse immediately adjacent to the existing ground. The existing Krooner Park ground will then be redeveloped as a five-a-side football centre.

This major investment will also provide new mini grass football pitches on the Rec, for formal and informal community use, retaining the current appearance of the southern end of the Rec while improving the quality of the soil and grass.

This will ensure that Crabtree Rec remains a focus for recreation and sport for everyone in the local community.

Please come and tell us what you think. The plans will be on display at **Camberley Town FC's Clubhouse** on: **Friday 2nd July** (2pm - 8pm) and **Saturday 3rd July** (10am - 2pm).

Members of the project team will be on hand to explain the proposals and answer your questions.
