Medical examination report for a Taxi or Private Hire licence (group 2)

This form must be completed by a GMC registered doctor with access to a summary of the applicant's medical history.

An additional report may be needed from an optician/optometrist.

Guidance on the required standards for driving for both applicants and medical professionals is available via www.gov.uk.

Medical professionals can refer to 'Assessing fitness to drive: a guide for medical professionals'.

Applicants can refer to 'Health conditions and driving'.

All black outlined boxes must be answered. Pages 1 and 8 must be completed by the applicant.

The applicant must complete this page Applicant's declaration

You must fill in this section and must not alter it in any way.

Please read the following important information carefully then sign to confirm the statement below.

Important information about fitness to drive

As part of the investigation into your fitness to drive, we (Surrey Heath Borough Council) may require your medical records to be referred to a suitably qualified medical advisor. If we do, the people involved will need your background medical details to carry out an appropriate assessment. We will only release information relevant to the assessment of your fitness to drive. In addition, where you are medically assessed as not meeting Group 2 but you want to have your application referred to a licensing sub-committee for determination, your medical information will need to be the members. The licensing committee membership conforms to the principle of confidentiality.

Declaration

I authorise my doctor(s) and specialist(s) to release reports/medical information about my medical conditions relevant to my fitness to drive, to Surrey Heath Borough Council's adviser.

I authorise Surrey Heath Borough Council to disclose such relevant medical information as may be necessary to the investigation of my fitness to drive, to doctors, opticians/optometrists, members of Surrey Heath Borough Council's Licensing Committee.

I declare that I have checked the details I have given on the form and that, to the best of my knowledge and belief, they are correct.

I understand that it is a criminal offence if I make false declaration to obtain a licence can lead to prosecution.
