Dear Chair and Treasurer

RE: Frimley Park Hospital Rebuild Project

I am writing following a resolution of the Surrey Heath Borough Council (SHBC) on 10th December 2025, triggered by the growing public and press speculation regarding the potential sale of land entrusted to the Frimley Fuel Allotments (FFA) charity to facilitate the rebuild of Frimley Park Hospital. The Council Motion can be found [here](#) under agenda item 9.

The Council has expressed the clear view that the public has a right to transparency from the trustees in all issues relating to the potential sale or disposal of public land entrusted to the charity. Given the importance of FFA as a community resource, the Council also believes that any such decisions should be subject to thorough public scrutiny and consultation.

Accordingly, and as resolved by the Council, I am writing to formally request that the Chair and Treasurer of Frimley Fuel Allotments attend as a matter of urgency a meeting of the Council's External Partnerships Select Committee (EPSC) to provide explanations and clarity in relation to the matters set out within the motion. The next scheduled meeting of the EPSC is on Tuesday 13 January 2026 at 7pm.

I trust you will appreciate the seriousness with which these matters are regarded locally and the importance of openness in maintaining public confidence. I would be grateful if you could confirm your availability to attend the Select Committee at the earliest opportunity.

Yours sincerely,

Cllr Shaun Macdonald
Leader of the Council
