Surrey Heath future plan

I am not sure if this is the correct place to comment on the most recent plan for Camberley ?

As a resident of over 40 years I have seen the decline of many town centres including Camberley and the loss of local specialist shops to nail bars. vape shops and mobile phone shops .

On the doorstep of the wonderful Royal Military establishment and with that in mind plans should add to the towns reputation and not detract from it

- The proposed tower blocks will become a "blot on the landscape "
- They will overlook the RMA
- They will cause even more parking problems
- There will be even less open space
- Children ideally should not begin their lives without open space to develop
- No balance in keeping with the current population and properties
- The security of the RMA will be compromised
- Camberley will be a town to avoid and not visit
