

Independent auditor's report to the members of Surrey Heath Borough Council

Audit completion

Disclaimer of opinion on the financial statements.

In our auditor's report, issued on 12 February 2026 for Surrey Heath Borough Council (the 'Authority') for the year ended 31 March 2025, we reported a disclaimer of opinion on the Authority's financial statements.

We explained that we could not formally conclude the audit and issue the audit certificate for the Authority for the year ended 31 March 2025, in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had received confirmation from the National Audit Office (NAO) that the audit of the Whole of Government Accounts (WGA) is complete for the year ended 31 March 2025. The NAO has now concluded their work in respect of WGA for the year ended 31 March 2025 and confirmed that audit certificates held open in relation to this can be issued. We are therefore satisfied all audit work necessary has been completed.

Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

In our auditor's report for the year ended 31 March 2025 issued on 12 February 2026 we reported that we have nothing to report in respect of whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025 except:

- on 4 February 2025 we identified a significant weakness in how the Authority manages its financial sustainability in relation to short and medium-term planning. Our 2024/25 assessment reported a continuing weakness. We recommended the Council should finalise and implement the transformation plan that delivers recurrent, cash-releasing savings at scale. It should ensure:
 - sufficient savings opportunities are identified, and robust business cases developed for approval by officers and members, by the time of setting its next budget and MTFS to reduce the significant planned drawdown of reserves over the next three years;
 - delivery is monitored effectively, supported by constructive conversations around delivery (including key risks); and
 - sufficient skills and management capacity are maintained to support effective monitoring, programme management and change-management activities.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources for the period ended 31 March 2025.

Report on other legal and regulatory requirements – audit certificate

We certify that we have completed the audit of Surrey Heath Borough Council for the year ended 31 March 2025 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.
