Street Collections within the Borough of Surrey Heath

Aims

The aims of the licensing authority are to:

- Safeguard the interests of both public donors and beneficiaries;
- Facilitate well organised collections by bona fide charitable and other institutions and to ensure that the standards set out are met, and;
- Prevent unlicensed collections from taking place.

Objectives

In order to achieve its aims, the licensing authority has identified the major issues and sought to tackle them through this policy with the intention of:

- Ensuring impartiality and fairness in determining applications;
- Accommodating all eligible requests, subject to capacity, and bearing in mind that certain days and locations are especially sought after;
- Providing equality of opportunity for would-be collectors;
- Avoiding causing undue nuisance to the public;
- Setting fair maximum limits for one applicant;

Background

It is illegal in this country to hold a Street Collection to collect money or sell articles for the benefit of charitable or other purposes without obtaining a Street Collection Permit from the Council if that collection is to be held 'in a street or public place'. A 'public place' is a 'place where the public has access'.

It is often assumed that collections held in shop doorways or car parks do not need a Street Collection Permit because they are being held on 'privately owned land'. This is not true, as the legislation does not mention the ownership of the land or treat collections on 'privately owned land' as exempt from the licensing regulations. A shop doorway or car park, when that shop is open for trading, is a 'public place' because the public has access at that time. No other permit or licence would be valid.

A Pedlars Licence, issued by the Police cannot be used for this purpose.

Local authorities are solely responsible for the issue of street collection permits under Section 5 of the Police, Factories, etc. (Miscellaneous Provisions Act 1916, as amended by the Local Government Act 1972 and Schedule 29 of that Act.

The Council issues Regulations under statutory powers. These are laid down by central Government and are adopted by most authorities.

The Borough of Surrey Heath is divided into the following areas for the purposes of Street Collection Permits.

- Camberley
- Frimley
- Frimley Green
- Longacres Garden Centre
- Sainsbury's – Watchmoor Park
- Lightwater
- Bagshot
